Hello Dora,

These were taken this week by a fellow birder. Can you please fwd them to the Commission?

Staff's recommendation has been the same for months, I do not know what could have changed that might make them suddenly decide they need a month's postponement. Unless they share some really compelling reason for the delay, I would like to speak against the postponement.

Thank you for all of your time with this item.

Best,

glen coleman

Michelle, I need to postpone item # 4 on tonight's ZAP agenda, the site plan appeal of SP-2007-0688C(XT). This will be a staff request for a 1-month postponement, to March 5th.
